

WATTERSON MARCHING EAGLES

Summer Newsletter 2023

Dear Parents & Students:

I hope this letter finds you well. It was certainly nice to have a completely normal year this past school year. It was a good and successful band season overall and we are very proud of all our accomplishments. We are excited for the upcoming fall season as I hope you are as well. Our show, entitled "Outside Looking In" looks to be another great program. We are still recruiting for any new members, especially for our front ensemble, brass section, and color guard program, which we are reviving for the first time in over four years. If you know of any student that would be a good fit for our band program, please reach out to them and discuss the benefits of being in the Watterson Marching Band and have them contact me as soon as possible: mrenzi@cducation.org or mr.renzi@bwhs.org

You will find the camp schedule attached to this letter along with the tentative performance schedule. This camp schedule is very important to our program and is common for most competitive programs. Please schedule any activities or work around the attached schedule. We will also have a some rehearsals prior to fundamental camps to help students prepare musically. Watch for emails as well as on our band website for any updates: www.wattersonbands.org (password: carnation)

Important Note: Physicals must be done prior to the first day of band camp. If you have had a physical since January 1, 2023 then you are good. Please turn in all official physical forms to the main office. This is required by Bishop Watterson and the State of Ohio.

Band camp is MANDATORY. Make sure you are on time for all activities. "Being early is being on-time, being on-time is being late."

Some important things to remember:

- Bring a water **jug** (1/2 to 1 gallon) every day. (no sweetened drinks)
- Dress appropriately for the weather. You *must* have good athletic shoes with socks.
- A hat with rim (baseball cap, etc.) is needed.
- Bring 5 or more set markers with name on: plastic tub lids or anything flat and sturdy. These are for marking positions on the field and are used much of the season.
- Eat a nutritious breakfast before arriving each day. Nothing "heavy" and easy on caffeine.
- Wear sunscreen, especially early in camp.
- Consider beginning a simple exercise regiment before camp. Jogging or walking.

INSTRUMENTALISTS: Show music, Pre-game music, and stand tunes should be memorized by first day of full camp. All will be posted on our website. Consider private lessons for extra help and attend any extra sessions that may be scheduled by section leader.

PERCUSSION: Will follow summer schedule from Mr. Swanson (jswanson@cducation.org)

COLOR GUARD: Will follow summer schedule from Heather
